

# ZugerKB Premium account set

For everyone who wants a comprehensive service for their banking transactions.

- You want all your basic services at an attractive all-in price.
- You prefer to obtain cash at the bank from an advisor and you regularly use the personal services of Zuger Kantonalbank to make payments.
- Your credit card must meet your needs and be the perfect supplement to your debit card for daily use and while you are travelling.
- You deliberately carry out your banking transactions through more than one private account.
