Declaration/conditions

The client agrees to all amounts from use of ZugerKB Stü being debited from their account. **The General Terms and Conditions** as well as the **Conditions for the Use of the Debit Card of Zuger Kantonalbank** apply to the contractual relationship between the client and Zuger Kantonalbank (www.zugerkb.ch/base-documents). In particular, the client consents to Zuger Kantonalbank being authorised to collect information about their for the purpose of marketing products and services that Zuger Kantonalbank believes may be of interest to the client. The client acknowledges and agrees to Zuger Kantonalbank offering and handling the ZugerKB Stü in cooperation with third parties. The client authorises Zuger Kantonalbank to forward the data required for settlement or production of the card to the card processor or card producer. The client authorises Zuger Kantonalbank to forward the **data required for settlement and in particular for determination of cashback to the operator of the Stü added value programme (Jaywalker AG, hereinafter "Jaywalker")**. This includes in particular **the last name, first name, address, date of birth, e-mail address, mobile number, account number/IBAN, account type and clearing number as well as data relating to all card transactions effected with the ZugerKB Stü**. The client may revoke authorisation to forward these data at any time. The client agrees to being contacted directly by Jaywalker.

Moreover, upon being issued with a Stü card the client enters into a **contractual relationship with Jaywalker**. In this case the General Terms and Conditions (www.stu.info/en/gtc), the cashback conditions (www.stu.info/en/cashback-conditions) and the privacy policy (www.stu.info/en/data-protection) apply, to which the client agrees with the first use of the Stü card. In particular, the client agrees to the card transaction data being processed in anonymised form for statistical purposes (including sales outlets and discount usage).
